

Go Down Moses

When Israel was in Egypt land,
Let my people go!
Oppressed so hard they could not stand,
Let my people go!

Go down Moses, way down in Egypt land
Tell old Pharaoh, Let my people go.

When Moses took them from their toil,
Let my people go!
He led them all to freedom's soil,
Let my people go!

Go down Moses, Way down in Egypt land
Tell old Pharaoh, Let my people go.

(new words, Rabbi Arthur Waskow)

Act now so earth be bondage free, Let all my peoples go!
And let all life be free to Be, Let air and water flow.
Rise up, people, rise up in every land.
Tell all Pharaohs: Let my Creation grow!

Go down Moses, Way down in Egypt land
Tell old Pharaoh, Let my people go.
