

Living Planet

by Jay Mankita

If all the world were peaceful now, and forever more.
Peaceful at the surface, and peaceful at the core.
All the joy within my heart would be so free to soar.
And we're living on a living planet, circling a living star.
Don't know where we're going, but I know we're going far.
We can change the universe by being who we are.
And we're living on a living planet, circling a living star.

If all the world knew justice now, and forever more.
Justice at the surface, and justice at the core.
All the joy within my heart would be so free to soar.
And we're living on a living planet, circling a living star.
Don't know where....

If all the world knew freedom now, and forever more.
Freedom at the surface and freedom at the core.
All the joy within my heart would be so free to soar.... Etc.,.
